Livestreaming in the Chapel

For worshippers who desire a more flexible worship setting, please join us in the chapel, where the service is live-streamed.

SUMMER SUNDAY SCHOOL - "BIBLE SCIENCE"

The kids at Sunday School had so much fun learning about God's promise and then creating their own rainbow with Skittles. What a tasty science project!

YOUTH MISSION TRIP TO PROVIDENCE & BOSTON

On the final days of our trip we served at a local food bank, gave new life to a social worker's office, and completed the week by taking the train to Boston for the Red Sox game. What a great week!
