PLANNING A WEDDING AT MAYFLOWER

Weddings are a ministry of Mayflower Congregational Church and its staff and open to members of our congregation.

The prerequisite to be considered a member at Mayflower for a wedding is nine months. A member may reserve a wedding date up to 12 months in advance.

Wedding dates must coordinate with the church calendar and weddings are not conducted on Sundays, over holiday weekends, during Holy Week or in December. Only one wedding is scheduled on any day.

PLANNING PROCESS

STEP ONE

Review the wedding information and fees; contact the office administrator at Mayflower (see back page) for available dates on the church calendar.

STEP TWO

Return the wedding application; available at www.mayflowerchurch.org or at the church office.

STEP THREE

Once the pastor and music director have given approval for the date a \$200 deposit is necessary to hold the date. The balance is to be paid one week before the wedding.

STEP FOUR

Contact the Senior Pastor (see back page) within one week of acceptance of the application to plan the wedding ceremony and schedule premarital discussions.

STEP FIVE

The couple is to consult with the music director 10 weeks prior to the wedding to discuss the musicians to be included in the service.
