

## Wish List (Winter 2020)

### Instruments!

#### After School Center Needs

- **Snacks:** We provide daily snacks for 85 kids and teens Monday-Friday. Snacks like: apples, granola bars, cookies, individually wrapped bags of chips or crackers are appreciated.
- **Small toys:** We welcome Transformers, dolls, toys, footballs, basketballs, soccer balls, and art supplies (they can be gender specific). These are used for prizes.
- **Classroom supplies:** We need pre-sharpened pencils, filler paper, printer paper, index cards, 3x3 post-it notes, manila folders, dry erase markers and eraser sets, and large whiteboards to hang on walls.
- **Art Supplies:** Paint, brushes, canvases, and scissors would help stock our supply cabinet.

#### Ministry Needs

- **A good quality van:** If you are thinking of getting rid of your minivan or 15 passenger van, consider donating it! We regularly transport teens and instruments all over the state and need reliable transportation.
- **Enclosed trailer:** If you have a small enclosed trailer you would like to donate, it would be greatly appreciated. We will use it to transport musical equipment for church visits and other off site events.
- **Wireless microphones:** We would love to have 4 new wireless rechargeable microphones.
- **Drum shield:** Drum shields prevent the drums from taking over! We're looking to purchase or build one with a ceiling.
- **Stove:** Meals are being donated or made all the time in our kitchen, many of these meals need to be heated in the oven. But, to turn on our oven, we need a lighter and only one side is working! Time for a replacement.

#### Sponsor Needs

- **Sponsor a Teen Life Intern!** We hired 47 teen interns this year. Your gift of \$5,500 will go directly to teens in the form of a hard-earned paycheck.
- **Sponsor a Child for a year:** \$2,500 welcomes a child to the After School Center & Summer Camp!

## Volunteer Opportunities (Winter 2020)

- **Meal Ministry:** Monday through Thursday every week of the school year, we feed dinner to a growing number of teens and children. Could you or your community group take one night/week for a month or two to help us keep them fed and ready to learn. Visit <https://mealtrain.com/1gnrg6> to sign up!
- **Work Day:** Schedule a work day anytime throughout the year with a small group. We have a long list of projects that we would love help with as we transform our space into a welcoming place for kids.
- **Tutor elementary children/Reading Buddy:** 4 - 6pm any Monday-Thursday.
- **Tutor teens:** Tuesday nights from 6-8pm.
- **Building Improvements:** Now that we have a home, we will make improvements to ensure we can be a blessing for decades. If there are professionals in your organization who could donate their time or simply offer reduced costs, we would love to connect. Projects include waterproofing, parking lot resurfacing, painting, gutter and roofing updates, bathroom and kitchen renovations.
