

MAYFLOWER

Congregational Church

Dear Mayflower Friends,

This week's update will be brief, though we are working hard behind the scenes!

The Search Committee is meeting to review the profile of Mayflower that will be used for the job posting. It will include a description of the church, our programs and some photos. It will also contain elements of the job description and what we are looking for in a Senior Minister. In addition, the profile will feature information the many attributes of the Grand Rapids community that could be appealing to someone moving in from another state.

As we put the finishing touches on the profile, we will also be filming Ruth Bell Olsson as the narrator of a video that will depict in photos, voice over, music and video what makes Mayflower the wonderful community of God's people it is today. The finished video will be posted on the Vanderbloemen website as well.

Once everything is ready to publish, candidates will be recruited to apply, with Vanderbloemen doing the initial screening.

Things are moving in the right direction—with your prayers and God's guidance, we move closer to finding the new Mayflower leader.
