

Hello Mayflower friends and members.

May 19, 2021

Thank you for your emails and kind words when I see you at church. Our committee is grateful you continue to be patient and pray for us.

Our search consultant has been working on lining up new candidates for us to consider and we will continue to have faith we will find our next person.

I'm thankful we have been able to be back in church. It's certainly has been wonderful seeing people back in person.
